If you think that such a function does not exist, then you are mistaken. Author: vasil on July 29, viewed: 1729. There was such a Counter-Strike game, I can't remember the last two words. GameWorld Publishing has released a new fighting game CS: Source. The release included several maps, game modes and interesting things. Left4Dead 2 is the sequel to the famous first person shooter series. Have you always dreamed of playing alone in "Left 4 Dead"? And only your faithful friend, a strong blow and hit points can help to cope with the boss. A huge number of genres and types of games are popular in the world, they can usually be divided into 3 categories: browser games. A feature of this genre is simplicity and a minimum of graphics. You will not be able to feel like a player or boss. All actions take place online, and the boss is displayed at the end of the game. However, in today's world we see
