Download Video Dangdut Bugil Candoleng Doleng Makasar > DOWNLOAD (Mirror 2) There are 3 pages of videos that I have to wait for before they even come close to looking good, and then of those, only some of them are actually good. I did try the slow motion function, and was kind of impressed that it worked. You have to experiment with the function a bit to get it to work the way you want, but it was at least a step in the right direction.
